We hope this gentleman will not be deterred from prolonging his engageament, because we are sure that on his benefit night the house will be full, and when once he is seen by the generality of our play-goers, his performances will be well attended after it. There are some de-Lets in the company, for which the Manager is not to be blamed. So Nashville is "a hard road to trayel," and it is not possible to fill any vacancies at a moment's notice. Wholesale Agent, Nashville, Tenn. B. G. FARRELL'S ARABIAN LINIMENT.-This colebrated medicine, skillfully composed as it is of the most healing balsams and penetrating oils, can never fail to cure almost every affliction that could be alleviated by an externa remedy. Its superiority over all other Liniments is proven by the mirnenlous cures it performs, and by the great and con stantly increasing demand. There has been sold within the past year more than THEEE MILLIONS OF BOTTLES, and here can be but few persons found who do not bestow upon it the lognest praise for the rare virtues it possesses. Nothing, perhaps, since the creation of the world, has been so successd as an external remedy for all pervous diseases, as this wonderful curative. When applied, it instantaneously diffuses itself through the whole system, soothing the irritated nomes, allaying the most intense palus, and creating a most deligistful sensation. Read the following remarkable cure which car be attested to by hundreds' who were fully acquainted with the whole circumstance

CHRONIC ENLARGEMENT OF THE TONSILS. My daughter, when six months old, was taken with a swellng in the tonsils, which grew larger and larger, till when six years old she had great difficulty in swallowing her food,-Every night watch was kept fearing she would suffocate. The best doctors attended to her but could give no relief. I took her to the most eminent doctors in the East; they said there was no help for her but to outgrow it. With a sad heart ! returned home with her, when she became so much worse that the doctors had to be called in again; they decided that the tousils must be cut off as the only means of giving relief My wife would not consent to this, and she d try your Limment, which gave relief the very first application and by continued use she entirely recovered. She is now ten years old and fleshy and healthy as could be desired .-Your Limiment is also the best in use for spealins, bruises cuts, barns, headache, etc., and it will remove the most se vere pain in a few minutes. It also cured a caked udder it GEORGE FORD.

NEW BOOKS. FREAKS OF FORTUNE.

BY J. B. JONES,

AUTHOR OF "WILD WESTERN SCENES," ETC., ETC. READ WHAT THE EDITORS OF NEWSPAPERS SAY OF IT. "We pronounce this work equal to any of the produc-tions of Thackeray, and are quite free to give it a prefer-ence over anything we have yet seen from the prolific au-thor of the 'The Newcombs.' It is a high com, liment to place the 'Freaks of Fortune' on a par with much that his transatiantic rival has produced. Certain it is, that Mr. Jones in his new work gives evidence of a free pen, a rich imagination, and a style easy, emphatic, and at times im-bued with true eloquence, the emanation of a spirit over-flowing with impressive thought and elevated sentiment, liberally enriched with flashes of humor and genuine wit. An advantage which Mr. Jones has, is in the true American character of his writings, which present life as it is seen in

character of his writings, which present life as it is seen in our midst. In this respect his works have a charm that must make them irresistible, as good sense prevails over all, and supply us with sketches of character, irresistible in their truthfulness to the beings whom we meet in our every day walk. As the writer has already become famous in the world of literature, his new work will find numerous readers who may be congratulated on the treat in store for em,"—Philadeiphia Saturday Courier, Sept. 9th, 1854.
